

Seventh ACSNZ Conference **Friday 7th October 2016, Stamford Plaza, Auckland**

Keynote speakers include:

Dr Ben Schmidt, Regional Director, Southeast Asia & Pacific, Cambridge International Examinations
Ben will discuss innovations in Cambridge, in particular developing digital provision for our schools.

Dennis Matene, Director Schools Partnership Office, University of Auckland
Dennis will speak about the recruitment outreach programme that he developed for Maori and Pacific students within the Faculty of Engineering.

Sharee Ineson, Specialist Teacher and International Students Academic Tutor, Southland Girls' High School
Sharee's lesson plan for The World's Largest Lesson, the Global initiative to promote the launch of sustainable development goals, was selected as one of the stand out submissions from around the world.

A range of workshops will provide opportunities for both teachers and senior administrators to learn about successful practice and to investigate new ideas.

- How to use the new digital provisions developed by Cambridge
- Pedagogy for using the Global Perspectives Learning Platform
- Cambridge Primary Checkpoint

The programme will commence at 10am and will conclude with a cocktail hour followed by dinner.

All interested persons are welcome to attend, especially from schools offering Cambridge International Examinations or schools interested in doing so in the future.
