The inaugural *Cambridge Conference, New Zealand* is open to all schools that offer the Cambridge Pathway or are interested in doing so in the future.

This year's theme 'Cambridge – Today for Tomorrow' reflects the value of Cambridge International's approach to curriculum design, learning and assessment and the underlying research behind our education model.

Presenters will include:

Tristian Stobie, Director of Education,
Cambridge Assessment International Education

David Mansfield, Executive Headmaster of
Y.K.Pao School, Shanghai

Briar Lipson, Research Fellow specialising
in education.
